## Index to Public Utilities Reports

*(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this Index. These reports are published annually, in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers,* PUBLIC UTILITIES REPORTS, INC., *Munsey Building, Washington, D. C., upon application.)*

# Subject Index

ACCOUNTING,
Origin of uniform classification for electrical utilities, 673.
Scientific cost accounting for utilities, 173.

ADVERTISING.
By public utility, 52.
Regulation by commission in case of utilities, 42.

AGRICULTURE,
Legislation to declare farm a public utility, 338.

ALABAMA,
Regulating holding companies by regulating operating companies, 379.

APPOINTMENT,
Of commissioners, 90, 238, 773.

BANK HOLIDAY,
How utilities behaved during, 535.

BANKS,
Chain, held together by holding companies, 156.
Hand of money trust on utilities, 356.

BIRCH-ROD REGULATION,
High cost of competition between private and municipal plants, 516.
Moral justification of, 164.

BLUE SKY LAW,
Protection of utility investors by legislation, 718.

CANADA,
Experience with government-owned utilities, 781.

CARRIERS,
See also Railroads.
New deal in regulation of, 470.

CHART,
Handy railroad organization chart, 479.

COMMISSIONERS,
Appointment of, 90, 238, 773.

COMMISSIONS,
Emergence from investigation with indorsement, 473.
Governors' attitude toward, 755.
Maverick commission of Massachusetts, 596.
Municipal plant regulation, 652, 710.
Oil regulation, 100.
Personnel requirements of, 90.
Power to hire and fire state commissioners, 773.
Record of rate reductions by, 664.
Regulation of utility advertising, 42.
Regulation of wages for utility employees, 358.

COMMISSIONS—*continued*
Substituting yardstick regulation for regulation by, 448.
Why state commissions want to confine utilities to state courts, 569.

COMMODITIES,
Why utility rates don't go down with prices of, 454.

COMPETITION,
See Monopoly and Competition.

CONGRESS,
Attitude toward utilities, 139.
Recent utterances about utilities, 180, 237, 299, 420, 675, 736.

CONSTITUTIONAL LAW,
Validity of Federal power regulation, 530.

CONSUMERS AND PATRONS,
Public relations policies, 52.

CONTRACT CARRIERS,
Coming curb on, 259.
New curb on, through traffic regulation, 106.

CORPORATION,
Modern corporation and private property, 355.

COSTS,
Changing levels of, as affecting trend toward prudent investment principle. 695.
Futility of yardsticks for measuring, 448.
Kilowatt-hour production and cost of maintenance of Tennessee Valley project, 781.

COURTS,
Effort to keep utilities out of Federal courts, 199, 266, 569.

DECISIONS,
Rate reductions by commissions, 664.
Supreme court decisions on utility rate base, 732.

DEFINITIONS,
Broadening of interpretation of term "public utility," 179.
Holding company, 36.

DEPRESSION,
Bottom reached and recovery begun, 33.
Depression-proof utilities, 330.
Effect on electric power rates, 608.
Lessons of, 3.
More governmental regulation as aftermath, 533.

DISTRIBUTING COSTS,
Inquiry into, 290.
Scientific data relating to, 173.
Study of, by Institute of Public Engineering, 241.

DISTRICT OF COLUMBIA,
Sliding-scale basis of rates, 390, 506.

DIVIDENDS,
Restriction of, for operating companies to regulate holding company, 379.

ECONOMIC CONDITIONS,
See Depression.

ECONOMICS,
Futility of yardsticks for measuring utility costs, 448.
Great Tennessee bubble, 439.
Why utility rates don't go down with commodity prices, 454.

EDISON ELECTRIC INSTITUTE,
New deal in kilowatts, 234.
New deal in public relations and publicity efforts of power industry, 536.

ELECTION,
Of commissioners, 90, 238.

ELECTRICITY,
Depression as affecting power rates, 608.
Excessive rates for, 173.
Exportation of, validity of laws forbidding, 230.
Great Tennessee bubble, 439.
Kilowatt as successor to gold as currency basis, 114.
New deal in public relations and publicity efforts of power industry, 536.
Origin of uniform classification of accounts, 673.
Public's reaction to Roosevelt's nation-wide power project, 296.

EMPLOYEES,
Commission regulation of wages, 358.
Shorter work week as affecting utilities, 466.

EXPORTATION,
Of power, validity of laws forbidding, 230.

FARMERS,
Farmer's viewpoint of Tennessee Valley power project development, 468.
Irrigation as bait for luring farmers' support for Federal power project, 636.
Legislation to declare farm a public utility, 338.

FEDERAL COURTS.
Effort to keep utilities out of, 266.
Exclusion of utility rate cases from, 199.
Why state commissions want to exclude utilities from, 569.

FEDERAL GOVERNMENT,
Aid to states in holding company regulation, 276.
High cost of paternalistic government to taxpayer, 404.
Irrigation scheme as augury for utilities, 636.
Legislation to control holding company, 589, 646.
Public's reaction to Roosevelt's nation-wide power project, 296.

FEDERAL GOVERNMENT—*continued*
Utility regulation as forerunner of nation-wide regulation of industry, 792.
What railroad men want to know about Federal regulation, 218.
Who will pay for Uncle Sam's utility projects, 788.

FEDERAL POWER COMMISSION,
Constitutionality of regulation by, 530.

FEDERAL TRADE COMMISSION,
Confessions of the "Power Trust," 57.
Cost to taxpayer, 412.

FINANCIAL POLICY,
Effect on utility rates, 396.

FLOUR,
Production per man, 468.

FORGOTTEN MAN,
Who is, 766.

FRANCHISES,
Analysis of situation needed, 33.
Utility franchise muddle, 702.

GOLD,
Gold clause in public utility bonds as affected by currency inflation, 499.
Kilowatt as successor to, as currency basis, 114.

GOVERNMENT OWNERSHIP,
Canada's experience with, 781.
Public's reaction to Roosevelt's nation-wide power project, 296.
Who will pay for Uncle Sam's utility projects, 788.

GOVERNORS,
Thoughts about state commissions, 755.

HOLDING COMPANY,
Conflicting obligations to investor and ratepayer, 117.
Description of, 36.
Economic justification of, 208.
Federal aid to states in regulation of, 276.
Governor of New York moves for regulation of, 531.
Lessons of the depression, 3.
Ordeal by water of, 589, 646.
Place in structure of business, 156.
Regulation of, by regulating operating company, 379.

INDUSTRIES,
High cost of paternalistic government to taxpayer, 404.
Utility regulation as forerunner of nation-wide regulation of industry, 792.

INFLATION,
Cutting down utility earnings through, 283.
Effect on utility rates, revenues, and security owners, 667.
Of currency as affecting utilities, 499.

INSTITUTE OF PUBLIC ENGINEERING,
Inquiry into costs of distributing power, 241, 290.

INTERCONNECTION,
Effect on electric rates, 177.

INTERCORPORATE RELATIONS,
See Holding Company.

INTERSTATE COMMERCE COMMISSION,
What railroad men want to know about Federal regulation, 218.
What railroad men want to know about plant, personnel, and policies of, 154.

INVESTORS,
Protection of, by legislation, 718.
Utility security owner as forgotten man, 766.

IRRIGATION,
Federal irrigation scheme as affecting utilities, 636.

KILOWATTS,
As successor to gold as a currency basis, 114.
New deal in, 234.

LABOR,
Commission regulation of wages, 358.
Shorter work day or week as affecting public service companies, 12, 466.

LEGISLATION,
Congressional attitude towards utilities, 139.
Protection of utility investors by, 718.
Reactions of country to passage of Muscle Shoals bill, 724.
Rising tide of antiutility merchandising bills, 418.

LOS ANGELES,
Supreme Court decision on rates, 732.

MASSACHUSETTS,
"Maverick" commission of, 596.

MERCHANDISING,
Advertising by public utility, 42.
Rising tide of antiutility merchandising bills, 418.

MEXICO,
Control of power companies, 121.

MISSISSIPPI RIVER,
Uncle Sam competes with railroads, 232.

MONEY,
Kilowatt as successor to gold as currency basis, 114.

MONEY TRUST,
Hand of, on utilities, 356.

MONOPOLY AND COMPETITION,
Coming curb on contract carriers, 259.
High cost of competition between private and municipal plants, 516.
Regulation of competitors of railroads, 55.
Theory of monopolistic competition, 734.
Uncle Sam competes with railroads, 232.

MORATORIUM,
Effect on viewpoints on utility valuation issue, 411.

MOTOR CARRIERS,
Contract carrier regulation, 106, 259.
Taxation of, 119.
Unregulated, defense of, 612.

MUNICIPALITIES,
Utility franchise muddle, 702.

MUNICIPAL PLANTS,
Commission regulation of, 652, 710.
High cost of competition between private and municipal plants, 516.
Taxpayers in taxless towns, 458, 466.

MUSCLE SHOALS,
Farmer's viewpoint of Tennessee Valley power project development, 468.
Great Tennessee bubble, 439.
Kilowatt-hour production and cost of maintenance of Tennessee Valley project, 781.
Reactions of country to passage of Muscle Shoals bill, 724.

NEGOTIATION,
Regulation by, 782.

NEW DEAL,
Auguries for utility industry, 139.
In public relations and publicity efforts of power industry, 536.
In regulation of carriers, 470.

NEWSPAPERS,
Chain, as parallel to power trust, 57.
Chain, held together by holding companies, 156.

NEW YORK,
Governor Lehman's program for regulation, 228.

OIL,
Four-point program for regulating industry, 100.

OPERATING COMPANIES,
Regulation of, in order to regulate holding companies, 379.

OPERATING EXPENSES,
Advertising as chargeable to, 42.

ORDEAL BY WATER,
Of holding company, 589, 646.

PATERNALISM,
High cost of paternalistic government to taxpayer, 404.

PIPE LINES,
Regulation of, 343.

POLITICIANS,
Great Tennessee bubble, 439.
Political attacks on methods which the public cannot understand, 208.
Protection against, needed, 33.
Rebellion of taxpayers against, 319.
Who is forgotten man, 766.

POWER TRUST,
Confessions of, 57.

PRICES,
Changing levels of, as affecting trend toward prudent investment principle, 695.
General price indices compared with reduction in utility rates, 782.
Why utility rates don't go down with commodity prices, 454.

PRIVATE OWNERSHIP,
Technocracy as a threat to, 111.

PROPAGANDA,
Propagandist's view of, 57.

PRUDENT INVESTMENT,
Current economic and political trend toward principle of rate making, 695.
Massachusetts theory of, 596.

PUBLICITY,
By public utilities, 42.
New deal in public relations and publicity efforts of power industry, 536.
Propagandist's view of propaganda, 57.

PUBLIC OWNERSHIP,
Canada's experience with, 781.
Great Tennessee bubble, 439.
Relative efficiency of federally owned, state-owned, and privately owned railroads, 416.
Who will pay for Uncle Sam's utility projects, 788.
Yardstick for measuring utility costs, 225.

PUBLIC RELATIONS,
New deal in, 536.
New viewpoints on policies, 52.

PUBLIC UTILITIES,
Advertising regulated, 42.
Behavior during bank holiday, 535.
Birch-rod regulation of, 164, 516.
Broadening of interpretation of term "public utility," 179.
Captains in command, 17.
Congressional attitude toward, 139.
Depression as affecting electric power rates, 608.
Depression-proof utilities, 330.
Dr. Frankfurter ventures three postulates of improved regulation, 476.
Effort to keep utilities out of Federal courts, 199, 266, 569.

PUBLIC UTILITIES—*continued*
Federal irrigation scheme as augury for, 636.
Franchise muddle, 702.
Hand of money trust, 356.
High cost of competition between private and municipal plants, 516.
Holding company regulation by regulating operating companies, 379.
Inflation of currency as affecting, 499.
Lack of perspective on significance of current trends, 669.
Legislation to declare farm a public utility, 338.
Lessons of the depression, 3.
Making securities of, sound investments, 559.
Meaning of technocracy to, 283.
Modern corporation and private property, 355.
New year's outlook for, 59.
Promise and threat of technocracy to, 111, 170.
Propaganda by, as viewed by propagandist, 57.
Public relations policies, 52.
Rate reductions by commissions, 664.
Rebellion of taxpayers against politicians as affecting, 319.
Shorter work day or week as affecting, 12, 466.
Technocracy's meaning to, 111, 149, 170.
Upward growth—if, 33.
Utility security owner as forgotten man, 766.
Why state commissions want to confine utilities to state courts, 569.
Why utility rates don't go down with commodity prices, 454.
Yardstick for measuring costs of, 225.

RAILROADS,
Downward trend of rates, 523.
Handy railroad organization chart, 479.
Legislation as high mark in regulation of, 729.
New deal in regulation of, 470.
Regulation of competitors of, 55.
Relative efficiency of federally owned, state-owned, and privately owned, 416.
Uncle Sam competes with, 232.
What railroad men want to know about Federal regulation, 218.

RATES,
At the crossroads, 79.
Depression as affecting electric power rates, 608.
Downward trend for railroads, 523.
Effort to keep utilities out of Federal courts in cases relating to, 199, 266, 569.
Electric, as excessive, 173.
Electric, effect of interconnection, 177.
Financial policies of utility as affecting, 396.
General price indices compared with reduction in, 782.
Inflated currency as affecting, 499, 667.

RATES—*continued*
Los Angeles, Supreme Court decision on, 732.
Practical aspects of structures, 674.
Prudent investment principle of, current economic and political trend toward, 695.
Record of reductions by commissions, 664.
Regulation of, by negotiation, 782.
Sliding-scale basis, 390, 506.
Taxicab's reasonable rate, 414.
Value-of-service theory weaknesses, 79.
Why utility rates don't go down with commodity prices, 454.

REGULATION,
Birch rod, 164, 516.
By negotiation, 782.
Coming curb on contract carriers, 259.
Defense of unregulated motor carriers, 612.
Dr. Frankfurter ventures three postulates of improved regulation, 476.
Federal aid to states in holding company regulation, 276.
Governor Lehman's program for, in New York, 228.
Governors' recommendations, 755.
Increase in, as aftermath of economic crisis, 533.
Lessons of the depression, 3.
Limitation on flexible adjustments and readjustments of railroad rates, 523.
More rigid and less sound type of, demanded, 615.
New deal in regulation of carriers, 470.
New railroad bill marking new high in regulation, 729.
Of advertising by utilities, 42.
Of competitors of railroads, 55.
Of contract carriers, 106, 259.
Of farmers, 338.
Of holding companies as proposed in New York, 531.
Of holding companies by regulating operating companies, 379.
Of municipal plants by commission, 652, 710.
Of oil industry, 100.
Of pipe lines, 343.
Of wages for utility employees, 358.
Substituting yardstick regulation for commission regulation, 448.
Trend toward governmental regulation—its social and economic portents, 352.
Utility regulation as forerunner of nation-wide regulation of industry, 792.

REMOVAL,
Power to hire and fire state commissioners, 773.

RETURN,
Depression-proof utilities, 330.
Sliding-scale basis, 390, 506.

REVENUES,
Inflation as affecting, 667.

SECURITIES CONTROL BILL,
Protection of utility investors by legislation, 718.

SECURITY ISSUES,
Inflation as affecting security owners, 667.
Protection of utility investors by legislation, 718.
Task of making utility securities sound investments, 559.

SLIDING SCALE,
Basis for rate making, 390, 506.

SMALL CUSTOMERS,
Inadequate revenues from, to cover cost, 79.

SOCIALISM,
Regulation of Reuben as step towards, 338.

STATE COURTS,
Effort to keep utilities out of Federal courts, 199, 266, 569.

STATES,
Federal aid to states in holding company regulation, 276.
Relative efficiency of federally owned, state-owned, and privately owned railroads, 416.

STORES,
Chain, held together by holding companies, 156.

SUBSIDIES,
Waterways corporation competing with railroad, 232.

SUPREME COURT,
Los Angeles rate decision, 732.
Massachusetts attitude towards decisions, 596.

TAXES,
Actual taxpayers in taxless towns, 458, 466.
Federal Trade Commission cost to taxpayers, 412.
Governors' recommendations, 755.
